Join fetal monitoring experts Lisa Miller & Becky Cypher this fall for an exceptional two days of continuing education!

Lisa will present an Advanced Fetal Monitoring program on day one, and then she will be joined by her colleague and co-author Becky Cypher for day two where the focus will be legal issues, including a half-day intensive on perinatal documentation addressing nursing, physician, and midwifery documentation issues - from antepartum through postpartum.

Don't miss this opportunity to network with colleagues while learning from top experts in the field.

Day 1: Advanced EFM

Lisa A. Miller, CNM, JD

Day 2: Medical/Legal, including a Documentation Intensive

Lisa A. Miller, CNM, JD & Rebecca Cypher, RNC, MSN, PNNP
